

Golden Isles Veterans Village

Remember our “homeless veterans” in your End-of-Year Charitable Giving!

As 2025 comes to a close we are reaching out one final time to share a recap of the many things we’ve accomplished with your assistance in 2025. We ask that you consider Golden Isles Veterans Village for any year end charitable donations you are thinking about making.

Please be assured that 100% of contributions go toward helping local veterans suffering from homelessness to get back on their feet again.

OUR MISSION

Simply stated our mission is to transition a community of up to 29 veterans suffering from homelessness back into society as self-supporting productive members within a two to three-year time frame.

Veterans Village is not a homeless shelter. It is a safe, secure community where resident veterans receive all the services (medical care, social skills, job skills, etc.) needed so that they can reintegrate back into

WHAT WE’VE ACCOMPLISHED WITH YOUR HELP IN 2025

- Twenty-nine tiny homes were constructed in Veterans Village.
- A robust security system including cameras and access control was installed and are operational.
- The Community Center was completed which includes a computer center, kitchen, an Honor Pantry, administrative offices and a gathering room.
- The first 18 veterans were interviewed, screened and are in residence.
- Full time employees were hired.
- Relationship with community advocacy groups, civic organizations, volunteer groups and churches were created and which help to serve our veterans.

HOW YOUR SUPPORT MAKES A DIFFERENCE

- Help fund essential medical services (physical and mental).
- Provide regular maintenance to all our homes and facilities.
- Maintain the integrity of the village property.
- Give us the critical funds needed to maintain and grow our veteran population.
- Provide daily necessities for the veterans like meals, cleaning, household supplies, etc.
- The opportunity to hire staff to serve the veterans needs.

OUR GOALS FOR 2026

- As of the beginning of December we have 18 resident veterans. During the next year our objective is to increase that number to 29 residents.
- Complete remaining village irrigation, landscaping, and the Hope Garden
- Work with the city of Brunswick and provide the funds needed to address parking needs.
- Continue veteran outreach and host veteran events.
- Work with local companies and organizations to assist our veterans to find gainful employment, job skill training, and identify educational opportunities.
- Continue to raise funds to sustain our operational health.

If you are planning on making an end-of-year contributions, please consider Golden Isles Veterans Village!- Golden Isles Veterans Village is totally dependent on public and private grants and from contributions from people like *We can’t succeed without your support and contributions.*
